

Parents, Alumni and Fans of KHS Sports: Kennett Athletic Booster Club Needs Your Support!

Welcome to another exciting season of Kennett High School sports!

Recent years have seen much success by KHS sports teams and individual athletes in league, district, regional and state competitions. We are an athletic force to be reckoned with and the Kennett Athletic Booster Club (KABC) seeks to build on that reputation with your help.

Your \$75 membership fee will support both central KABC programs and your choice of individual sports. Accordingly, \$25 of the membership fee is used by the central KABC organization to:

- honor coaches' requests for items not included in the athletic budget
- organize team parent representatives for each sport
- sponsor and coordinate Homecoming activities
- cover the cost of Senior recognition and Senior gifts and more
- fund Senior athletic awards & scholarships

The remaining \$50 of the membership fee will be applied directly to the account of one or two individual KHS sports and used by those sports in player development.

Please help us support the KHS student athlete by becoming a member. Many schools with strong athletic programs require fees to play sports and mandatory Booster membership as well. KABC is a voluntary membership but directly benefits YOUR athlete. We welcome all parents to get involved and attend our meetings held on the second Wednesday of each month at 7 pm, Room 102. There are many volunteer opportunities that require only a few hours a year, and allow you to meet parents in other sports and stay involved with your child's activities.
